A review of the Federal Bureau of Investigation's (FBI's) Name Check Program database concerning ASAD ALI revealed that a request was received from the United States Citizenship and Immigration Services on 02/14/2006, and is currently in a pending status.

The FBI processes millions of name check requests each year with each requiring thoughtful consideration. We know how important this information must be to your constituent; however, the FBI must also balance the need for national security in preparing the response to each of these requests. The FBI's homeland security mission requires that our name check process be primarily focused on an accurate and thorough result. While an exact date for completion of this review cannot be given be assured that the results will be made available to the immigration authorities as quickly as possible.

I trust this information will assist you in responding to your constituent.

Sincerely,

Michael A. Cannon/dc
Section Chief
National Name Check Program Section
Records Management Division
Federal Bureau of Investigation

This is in response to your inquiry dated August 14, 2006. The United States Citizenship and Immigration Services (USCIS) Chicago District Office is responding to your inquiry regarding the status of your constituent, Asad Ali A47 701 899. Our information shows that the background investigation conducted by the Federal Bureau of Investigations (FBI) for your constituent has not yet been completed. We may not proceed with the adjudication of the application or petition until the FBI completes their process and our records are updated with the results. It is uncertain the time period it takes for the results to be electronically submitted to USCIS and updated in our national records.

Please be assured that every case that is pending a background investigation is checked weekly for results to keep the adjudication process ongoing and timely. We are allowed to resubmit names pending over 90 days only if the name does not appear in the FBI database after 90 days of submission. If requesting an expedite processing of the background investigation your constituent must provide a written request with an explanation directed to the District Director for consideration with supporting evidence. The FBI will only expedite the processing if your constituent is in the military, an "age-out", diversity (DV) lottery winner meeting the deadline date or for compelling reasons.

Again, it is difficult to predict with accuracy when the clearance will be updated in our records. Please be assured that every effort is being made to render a final decision in a timely manner.

To,
The American Embassy
VISA Section,
Islamabad.

Respected Sir/Madam,

That I am a Green Card holder and my interview for American Nationality has been conducted and call for my oath is awaited, though my parents are American Citizens. I got married with Saima Zubair daughter of Ch Zubair Ahmad on 13th November 2005, and we lived happily as spouse. On 3rd April 2007, when I returned back to America and my wife remained living with her parents at District Sheikhpura, my wife was pregnant of three months.

Every thing was going fine when unexpectedly the behaviour and attitude of the parents of my wife changed towards me and my wife, because of some property issues. First of all they terminated all communication links like phone and internet between me and my wife. They severely tortured her and grounded in every possible way. They got my baby aborted forcefully from a local hospital. They did not give her proper food and medication that lead to her severe sickness. My wife was being brutally forced to sign the divorce papers that she never wanted to. She finally got access to call me and told me the whole story. I caught very next flight and came back to Pakistan on 19th August 2007. Finally she got succeeded to come out of her home and we both went to the court to revoke the divorce file work.

Now my in-laws have registered some criminal cases against me like kidnapping etc. They are harassing me and my wife through different ways and because of these circumstances our life is in danger here in Pakistan. I am a green card holder and in this critical situation I want help from my Embassy and if a VISA may kindly be granted to my wife. I want to keep my wife with myself. It is my firm belief that American Government and people always protect human rights of their Citizens and all over the world. I applied for the case of my wife about one and half year back but no call from Embassy is received yet, circumstances are of that kind that it will be really a harmful act to leave my wife alone in Pakistan.

Hopefully me application will be considered somatically. Please help me out as you are my only hope.

Yours Faithfully,
Ali Asad S/O Hamid Ali Nazir
